

GIFTS AND DONATIONS

The following is a report of all gifts and donations to the Division of Agricultural Sciences of the University of California for agricultural research during the year beginning July 1, 1977 and ending June 30, 1978, by range of the amounts given. The figure following some en-

tries indicates the number of gifts from that donor. Gifts to all units are included: Berkeley, Davis and Riverside campuses, and the Statewide Administrative Office. Gifts in kind have been converted to cash value in accordance with University procedure.
