

Donations for agricultural research,

July 1, 1979 — June 30, 1980

The following is a consolidated report of all gifts to the University of California for agricultural research and public service for the past fiscal year. There were 1,475 such gifts during the year, totaling \$3,199,200. In addition, various commodity groups operating under state-administered marketing orders provided \$2,519,465 for agricultural research during the 1979-80 fiscal year.

Multiple gifts from the same donor have been combined in this report.

Warren E. Schoonover, Director
